

DEPARTMENT OF POLICE  
BOROUGH OF MUNHALL  
PENNSYLVANIA

We will again be holding our Holiday Lights competition this year to help build community pride and spirit. We are asking that anyone interested living in Munhall to please email us a picture of your home, decorated for the holidays, to [crimewatch@munhallpa.us](mailto:crimewatch@munhallpa.us) and on December 19th we will begin posting all of the photos to the Munhall Crime Watch page, [www.facebook.com/MunhallCrimeWatch](http://www.facebook.com/MunhallCrimeWatch) so the community can vote on your home with a like. When the voting closes on December 27th a 3 person committee will also vote and those votes combined will decide our winner.

We are again working with several of our local businesses and we will announce the prizes when we post the pictures. This year there will be three categories to vote on 1) Standard non animated display 2) animated or motion display 3) storefront display. Once the voting is over the winning photos will be posted in the local papers to show our pride in the Steel Valley area.

There are a couple of pretty simple rules and they are that the home must be in Munhall, you must include your name and address with the email (address will not be posted), and all pictures must be in the holiday spirit and child friendly!

We cannot wait to see your home and good luck!
