## TOP THINGS TO KNOW ABOUT THE 2020 CENSUS

- 1 Your participation matters.** For each family of five missed in the Census count, our area could lose \$100,000 over the next 10 years.
- 2 Census forms are filled out by each household. Everyone living at an address matters.** Everyone needs to be counted, including all children born by April 1, 2020.
- 3 You will receive a mailing to complete the Census in mid-March 2020.** You can respond online using the unique Census ID provided to you, but you can also respond by phone or mail.
- 4 The Census will not ask about citizenship or immigration status.** The Census requires name, age, gender, birthday, race/ethnicity, relationship to head-of-household, owner or renter and phone number.
- 5 By law, individual-level Census information cannot and will not be shared.** The Census Bureau is committed to keeping your information confidential, private and secure.
