

Brierly Heights Women's Club was established in 1948. 71 years ago, the club began with a group of women from the neighborhood known as Brierly Heights that got together to play cards. We are proud to be one of the few women's club in existence in the area. Through the decades, the club has grown, helping and serving the surrounding communities. Once a year, the club holds a fashion show fundraiser to benefit charities, local service organizations around the West Mifflin/ Steel Valley community, and fund scholarships. In addition, we hold an annual Senior girls tea for the graduating Seniors of West Mifflin High School.

Our club is looking for women as members that would like to volunteer their time to support and give-back to the community. The club meets at 7:30 p.m. the first Thursday of the month, September through May, at the Thompson Club in West Mifflin.

Check us out online at brierlyheightswomensclub.com, or on Facebook at Brierly Heights Women's Club or just come to a meeting as a guest. We would love to meet you.
