

**BOROUGH OF MUNHALL**  
FOUNDED 1901

**MEMORANDUM**

**June 26, 2020**

**TO:** Borough Employees, Residents of Munhall, Vendors to Munhall

**SUBJECT:** Public Health related to COVID -19

**FROM:** Council President Harvey Inglis

I am writing today to remind everyone about the seriousness of this pandemic we are going through currently and that there is a major uptick in reported cases in Allegheny County the past few weeks.

I cannot stress enough that we must take all precautions to stay healthy. The "Green" phase allows us to move ahead but is not an indication that all is normal.

Please take time to inform your families, friends, and coworkers about the importance of social distancing, wearing masks, disinfecting vehicles and workspaces, and maintaining proper hygiene.

Thank you and stay safe.

Harvey Inglis
