

# GIANT EAGLE SENIOR SHOPPING HOURS

To help protect higher-risk members of our community, our supermarkets will open from 6 a.m. to 7 a.m. for senior customers age 60 and up Monday through Wednesday starting on Monday, March 23. All customers are invited to shop in our stores beginning at 7 a.m.

While IDs will not be checked, we ask that all other customers adhere to the one-hour window to ensure our higher-risk customers have access to newly stocked high-demand items.

We appreciate your understanding as we work to keep high-demand items in-stock and available for all of our customers.

For those of you who would prefer us to bring your groceries to you, our no-contact Curbside Pickup & Delivery service is available from 10 a.m. to 7 p.m. daily.

For more information on our COVID-19 response please visit our [Response Center](#).
