To All Steel Valley Residents:

Munhall Area Prehospital Services needs are help. They may not meet their payroll in two months. There is a possibility that lay offs may happen with their staff. I am reaching out to our residents to please consider a membership with MAPS so this service can continue for everyone in our Borough.

MAPS was established in 1996 and has been the designated Emergency Ambulance Service for Munhall, Homestead and West Homestead residents. Their organization is proud of the high-quality service they provide to the residents of Munhall, Homestead and West Homestead. They staff our ambulance units with Paramedics and Emergency Medical Technicians 24 hours, 7 days a week, 365 days a year.

If you need to reach them, please call [\(412\)464-7329](tel:4124647329). They are located at 1902 West St. Munhall, Pa 15120, or email them at: maps@munhallems.org
