

CARNEGIE OF HOMESTEAD

RONALD MCDONALD CARE MOBILE

October 22nd
10am-2pm

Come to the back entrance on
11th Avenue for the Care Mobile!

The Ronald McDonald Mobile is a state-of-the-art pediatric primary care center on wheels.

Pediatricians, nurses, nurse practitioners and respiratory therapists from UPMC Children's Hospital of Pittsburgh provide medical care to children and adolescents who are unable to visit a doctor regularly.

The Care Mobile staff also can provide information about community-based health education classes in the community. They offer health education to teach parents, guardians and children about healthy lifestyles and safety.

Services Offered:

- Adolescent health care
- Asthma care
- Hearing and vision screenings
- Immunizations
- Referrals for specialty care
- Routine physical exams
- Sick child visits
- Well-child and infant care
